Brodhead Chapter — Trout Unlimited, 289

**(570) 236-1734**

A long-time member of our chapter and former Director, Bob Eddy, has been admitted to Geisinger South Hospice, 25 Church Street, Wilkes-Barre. His phone number there is (570) 808-3527. According to his daughters, Bob can currently take phone calls. Please call him if you know him and let him know that he is in our thoughts and prayers. He probably would enjoy hearing about your fishing this summer, and I'm sure he would have some suggestions for you. Bob has been a Board Member guiding me and our chapter leadership for many years. He also has been active in leading the fishing club at Arrowhead Lakes, as well as their youth fishing tournament. Bob was instrumental in arranging for the veterans in Project Healing Waters to have access to Arrowhead's lake where their club hosts the veterans and barbecues for them.

We have a lot of activities this summer where we can use some additional volunteer help:

On Friday, June 6, Paradise Gun Club in Carbon County is hosting Project Healing Waters. Please check with Greg Malaska for travel directions. Arrowhead Lakes will be

hosting Project Healing Waters on June 11; call me for directions if you'll be attending. The July Project Healing Waters outing will be on the McMichael Creek near Beaver Valley Road on July 9. Their August 13 event will be at Indian Mountain Rod & Gun Club, where I will be stocking fish at 8:00 AM, if you want to have some fun getting wet on a hot day.

Our annual chapter picnic on the Brodhead is rapidly approaching and is set for June 14! Please attend and show your support by bringing a covered dish or dessert to share. We provide the drinks, burgers and hot dogs. This a great event to bring a guest (hint: your wife or significant other)!

On June 28, we will be joining with Brodhead Watershed Association at Forever Green, a new section on the Brodhead with public access for fly fishing demonstrations. Don Baylor will be sampling the creek, and this will be a great time to combine both groups.

We will also be providing the Fly Fishing Program at the Monroe County Conservation Camp at Stony Acres on the afternoon of July 24. We will be teaching casting, entomology and fly tying.

I received a request from the Minsi Trails Council of the Boy Scouts of America to support their Cub Scout fishing day, Saturday July 26, at Camp Minsi, which is located on Route 940 across from Pocono Mountain West HS.

If you can help for any of these events please contact me so we can arrange the staffing. The more, the merrier; plus, it will improve the experience for the campers and staff at both of these events.

Once again summertime is here with the hatches getting stronger as the weather warms; so, it's just about time to get on the water in my kayak or wade and fish.

*Tight lines!*

*Tom*

## Editorial Farewell Message

**T**hey say that all good things must eventually come to an end; and, now, it's finally time for me to say heart-felt THANK YOU and a sad good-bye to *Streamside Asides* as its principal writer, editor and publisher since 2006.

It's hard to believe how quickly the years have gone by since I took over the reins of our chapter newsletter from Director Emeritus Bob Stevens that September, publishing my first issue that October. Over the past eight years, I've seen *Streamside Asides* grow from an eight-page, commercially-printed, hard-copy, mailed periodical into a multi-page, award-winning newsletter that travels at the speed of light all over the world via electronic distribution through our website, e-mail and Facebook social media! Wow, what an amazing transition we've in just the last eight years!

Putting this newsletter out on a regular basis has been an amazing experience, one that has made me a better and more knowledgeable chapter member, Director and Officer; plus, the experience has afforded me the priceless opportunity to make many new friends, while opening up many significant opportunities for personal and professional growth. **Publishing *Streamside Asides* has certainly been a labor of love!**

At this juncture, I've reached a significant moment in my active life as a dedicated member of Brodhead TU, and it's time to move on to other ways in which I can better serve our wonderful chapter and more professionally promote the TU and BTU missions. The Nominating Committee has seen fit to honor me by offering my name for the Vice-Presidency of our Chapter at the coming fall election at our next general meeting on September 10<sup>th</sup>, an honor that I truly appreciate. Whether or not I am elected, I shall continue to work hard for our Chapter, and I will remain the Webmaster, hoping to improve the look and accessibility of our newsletter and Facebook page. Perhaps, one day, we'll even be able to bring educational video segments to our members via the website!

In closing, I would like to thank Todd Burns for volunteering to transition into the editor's chair beginning with the next issue of our newsletter; moreover, I'd like to thank all of you, individually and collectively, for your past years of support, continued ongoing good will and the numerous kind remarks regarding my efforts to make *Streamside Asides* a meaningful, responsive chapter communications tool as we move our chapter forward in support of our unifying TU mission. **I certainly never could have done it without all of you!**

Tight lines,

Will Daskal
