Dear Members and Friends:

January, with its normal winter weather, has come and gone. Thankfully we dodged the potential blizzard but now we settle in to welcome the brutal arctic air. Although it is cold and snowy outside, our activities within the chapter and beyond are keeping us busy and warm.

Our fly-tying classes are underway with the three-week Beginner's Course completed on January 31 and the two-week Intermediate Course beginning on February 7. Scott Cesari is doing a great job and the flies the beginners tied were well done. With a great turnout of Brodhead TU members we were able to provide one-to-one assistance to each student as they followed Scott's directions. Thanks to everyone who helped out and to those who will be helping with the intermediate level class. This is a great educational opportunity for the community as we spread the word of the benefits our cold-water resources provide.

Please be sure to review the front page of the newsletter as we have a large number of opportunities for membership involvement within *and* beyond the chapter. In the first quarter alone, in addition to our January fly-tying courses, we have our Fly-Tying Round Robin at our February General Membership meeting, the Brodhead TU sponsored Shale Gas Monitoring workshop at ESU, the Fly-Fishing Film

Tour in Bethlehem (Thank you friends at Monocacy Chapter TU), our annual Banquet at Stroudsmoor Country Inn, and our Fly-Fishing Workshop at the Kettle Creek Environmental Education Center. Seven events in a three-month span is a tremendous achievement and, collectively, they reflect upon the dedication of our members, our friends, and our community. I thank all of you who worked so diligently on the planning and advertising and I look forward to seeing the success of all these activities. Also, don't forget the events upcoming in April and May: the kid's fishing tournament and the chapter fishing trip to the Catskills. We have had good experiences with both and we expect that to continue.

As we move forward in the new year, please take every opportunity to share our mission and views not only with other members, but also those within our communities. In today's busy world, the general public may often be unaware of how changes in laws, regulations, or enforcement may affect the resources that they enjoy. It is our responsibility as stewards of cold-water resources to do what we can to accurately share such information so the populace is educated to make informed decisions.

In order to more quickly get information out to the public and our membership, and in response to multiple requests and queries, Brodhead TU now has a presence on Twitter and Instagram. Check out and follow @BrodheadTU and brodheadtroutunlimited, respectively. Additionally, we've recently updated our web page (brodheadtu.org) and we have more info and links than ever before. If there's something you think we should include, please let us know and we'll try to make it happen.

In next month's newsletter I will have an update on our Trout in the Classroom group at Swiftwater Intermediate School. The brook trout eggs have hatched and the fry are currently doing well. Let's see how "big" they are by March...I'll have photos for proof so there are no fish tales!

The fishing has been fair as the icy waters and wintry conditions limited where and when one could get out last month. Let's hope we see a little thaw in February that will allow us to enjoy the cold-water resources of the Poconos.

Tight lines and I look forward to seeing you at our events: Bring a friend or two!

Todd Burns, President

Brodhead Chapter #289 of Trout Unlimited Sponsors Their 17th Annual Spring Banquet

The Brodhead Chapter of Trout Unlimited will be holding its 17th annual Spring Banquet on Friday, March 20, 2015 at the Ridgecrest facility of the Stroudsmoor Country Inn. This well-attended event serves as the main fundraising source for the Chapter in its efforts to conserve and protect the cold-water resources in the greater Pocono area. Additional information can be found on the flyer within the newsletter and also online at brodheadtu.org. Member and friend help through raffle donations, assistance at the event, and in any way is greatly appreciated. We'll see you there.

Shale Gas Monitoring Workshop Coming to East Stroudsburg University

TU and Pennsylvania TU (PATU) will be conducting a Coldwater Conservation Corps training as we work to establish baseline data for our local streams. Such data is important as it scientifically quantifies the current state of our streams and provides a standard to which future, post-drilling/development samples may be compared. The workshop runs from 10 AM–4 PM on Saturday, February 28. Contact Jake Lemon at jlemon@tu.org or 814-779-3965 to sign up. Additional information will be provided the week of the scheduled session.

Trout Unlimited and ArtsQuest Partner to present Fly Fishing Film Tour 2015

On March 25, 2015 at 7:30 PM the Fly Fishing Film (F3T) will make a stop in Bethlehem, PA at the ArtsQuest Center located at 101 Founders Way. F3T is a one-of-a-kind experience that takes viewers around the world through short films focused on fly fishing and cold-water conservation. This year's F3T features 11 film shorts. Proceeds from the tour benefit the Monocacy Chapter of Trout Unlimited's habitat improvement work and cold-water conservation efforts throughout the Lehigh Valley and the ArtsQuest Arts Education Programming Fund, which helps to support free music, arts and education programming for the community. Check our web page, brodheadtu.org or go directly to steelstacks.org for additional information.

PA Fish & Boat Commissioners Propose Changes to Delayed Harvest Artificial Lures Only Sections.

Whereas the Brodhead Chapter has invested considerable time, funds, and effort in improving the habitat within the DHALO section of McMichaels Creek near Glen Brook, we want you to know about proposed rule changes that could affect this section. At its January 22, 2015 Commissioner's Meeting, the PAFBC advanced a proposal that would significantly alter the rules for fishing in such waters. (Continued on next page.)

Changes to Delayed Harvest (cont'd)

The proposed rule changes would:

1. Move the harvest start date to the Saturday before Memorial Day from June 15,
2. Change the minimum size of harvested trout to 7 inches from 9 inches,
3. Allow the use of bait by any angler during the harvesting period,
4. Allow youth anglers under 16 years of age to use bait during harvest AND non-harvest periods, and
5. Change the name to Delayed Harvest.

We encourage you to read the proposal in its entirety on page 7 at:

Penn-East Pipeline Meeting to be Hosted by State Reps. Marcia Hahn and Julie Harhart

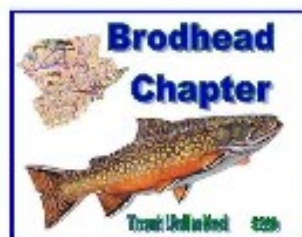

On Thursday, February 5, 2015, Reps. Hahn and Harhart will co-host an informational meeting for the public at the Covenant United Methodist Church, 2715 Mountain View Drive, Bath, PA. The Penn State Extension Office will be presenting on the Penn-East pipeline project and a local attorney will discuss the rights of property owners. The Penn-East pipeline will connect the natural gas areas and pipelines in the Wilkes-Barre area with Woodland, NJ, passing through Carbon and Northampton Counties. The meeting is occurring due to concerns expressed among the representatives' constituents. Doors open at 5:30 PM. [Editor's Note: This information was obtained via Rep. Hahn's web site and constituent email blast.]

Mario Scavello Named Senate Game and Fisheries Committee Chairman

State Senator Mario Scavello (R-40) has been appointed Chairman of the Senate Game and Fisheries Committee. According to information found on the Senator's web page, "The Game and Fisheries Committee has the critical task of helping to manage Pennsylvania's wildlife resources and ensuring that the average citizen can access outdoor recreation." All constituents can follow the progress of this committee and its activities by visiting game.pasenategop.com. The Committee's schedule, votes, and bills can be viewed by clicking on the link supplied. A listing of the full committee is also found on the web page.

A parallel committee is found in the PA House of Representatives and can be accessed via the links at: house.state.pa.us. Simply click on "Committee Members" for a full listing of committees and choose "Game & Fisheries."

Don't forget to check the roll call votes as various issues are introduced and proceed through the legislative process.

Catskills Fly-Fishing Trip!

JOIN US FOR A THIRD, GLORIOUS, 3-DAY TRIP & ENJOY GREAT FLY-FISHING IN THE HISTORIC CATSKILL BEA-MOC SYSTEM!

Memorial Weekend: May 22, 23 & 24 2015!

(Arrive Friday morning, May 22 and depart Sunday afternoon, May 24)

We're returning for a third time in the past four years to the friendly RIVERSIDE CAFÉ & LODGE — just 10 minutes from Roscoe & the legendary Beaverkill River's Junction Pool. *Fish the same spots as*

*the immortals: Poul Jorgenson, Lee & Joan Wulff, Art Flick, & the Darby and Dette families! Ten minutes from the East Branch and 20 minutes from Will Daskal's former home waters on the Willowemoc Creek in Livingston Manor. It's the perfect hub from which to fly-fish the great streams of NY's Catskill Mountains! At the May 13th General Meeting, Will's PPP will highlight the superb fishing access for the area streams. Fly fishing shops and supplies are nearby, including an Orvis shop in Roscoe & Rich & Sue Post's *Fur, Fin & Feather* in Livingston Manor. The *Catskill Fly Fishing Center & Museum* is just 25 minutes away — a truly great place to visit! Both prior trips have resulted in outstanding fishing memories!*

Out-of-pocket car-pooling travel costs and daily meal expenses will be shared during the trip by each vehicle's occupants. Your only up-front Chapter cost to us is for the first two night's lodging @ just \$100 pp. (based on double-occupancy) for the entire weekend! FOR YOUR CONVENIENCE, Will Daskal's informative PowerPoint Presentation at the May 13th Brodhead TU General Meeting will highlight the area streams, specific pool locations and probable late MAY CATSKILL MAJOR HATCHES, all the information you'll need to make this return trip another grand success! Please send your full payment @ \$100 per person payable to "BRODHEAD CHAPTER TROUT UNLIMITED" ASAP, BUT BEFORE APRIL 11th to: BRODHEAD TROUT UNLIMITED, P.O. BOX 863, BRODHEADSVILLE, PA 18322.

Questions? CALL WILL AT (610) 381-6188. TWENTY ANGLER TRIP LIMIT! There are only 10 rooms RESERVED FOR US at the lodge, with 2-people sharing each room; thus, bookings will be strictly on a first-come basis — no exceptions. RIVERSIDE WILL HOLD THE ROOMS FOR US ONLY UNTIL APRIL 11th; SO, GET YOUR RESERVATION AND PAYMENT IN TODAY! We anticipate another HUGE response this year; so, if you want to enjoy this fabulous historic trip, get your payment to Will IMMEDIATELY! REMEMBER TO SEND IN YOUR \$100 CHECK AND COMPLETED RESERVATION FORM SO THAT IT IS RECEIVED NOT LATER THAN THE MORNING OF APRIL 11th!

Brodheadsville, PA 18322

Thanks for your understanding in this timely matter.—Ed.

Streamside asides

*All material for submission for your newsletter
should be sent to the editor at the following address:*

Streamside Asides

Todd Burns, Editor

P.O. Box 863

Brodheadsville, PA 18322

OR VIA EMAIL TO:

tgburns@rcn.com

If your membership is about to expire,
why not take a moment out of your busy
schedule now and renew today. Our chapter's
conservation activities are ever-increasing, and
we need your support!
